

Dear Friends of Chartham Vineyard

We are all facing unprecedented, uncertain and frightening times as the Covid-19 situation continues to evolve. We sympathise with all those who have been adversely affected in any way. Government guidelines emphasise the need for exceptional levels of hygiene and social isolation. In order to minimise the impact of this disease, we have decided on the following course of action at Chartham Vineyard:

1. Our cellar door and gallery will close with immediate effect until further notice. Artists will be collecting their work between 10.00 and 12.00 on Saturday 21st March.
2. All tours and tastings will be postponed until further notice.

We will continue to update our website and use Twitter and Facebook to keep you up to date. Please telephone or email if you have any need to contact us.

We recognise that in these difficult times you may continue to need a little sparkle in your lives! We are, therefore, offering free delivery of all our wines within a 6-mile radius of the vineyard, providing you order 6 bottles or more. Please order using the contact box on our website www.charthamvineyard.co.uk or email info@charthamvineyard.co.uk or telephone (07905 911186, 01233-813709).

Meanwhile, on the vineyard we are finishing pruning and tying canes down to the fruiting wire to ensure that we can produce a good harvest for 2020.

Best wishes from us both,

Richard & Roz
